Spotlight On!

Fundraising is an act of supporting ministry. It's building relationships and capturing hearts. We have a faithful team of individuals and churches that generously sow into this ministry, but there is still a gap. We are praying for God to raise up new support through you as we seek to continue reaching this generation with the Gospel!

Hallelujah! - An Ambassador's Praise

Ms. Pamela Disher - Alice Douse ES Principal - Bell County

The Robinson's (EPIC Church Pastors) informed me that their church congregation is willing to join with Anderson Chapel to help get a Good News Club started at our school.

We talked about the club during today's meeting [Feb 20] and I shared a story of Duncan Elementary School's first year of having a club. We had a fifth grade student that started attending who was not from a Christian family. He had taken the first round of STAAR tests and was unsuccessful. On the second round of testing, he passed. When I called him to my office to share the news, with tears in his eyes, he said, "Ms. Disher, I passed because I learned about God, and I prayed during the test and asked HIM to help me. Ms. Disher, God answered my prayer."

For His Glory

Joel Shumate - Raye Allen ES Team Leader - Bell County

Our club started at Meredith Dunbar Elementary where we served for 3 years before we moved to Raye-Allen Elementary. We have been ministering at Raye-Allen for 5 years and have had as many as 60 kids and as few as 15 in a 6 week period. We work with the kids that God sends knowing that His plan is perfect. Our focus is on the salvation of every kid that God allows us to pour into and we have seen a huge number of children

ask Jesus into their hearts during our time in both schools. The principals at both schools along with the staff that we have partnered with have been great! We have been witnesses to the fact that some of the challenging kids have changed after receiving Christ, which has come from our personal involvement and from the counselors at the schools. The power of the Holy Spirit in the kids lives is very evident as He changes them from the inside out. Over the years we've had a great group of leaders and we are grateful to Child Evangelism Fellowship for allowing us to work with the children, knowing that their lives are changed forever and that those who accepted Jesus will spend eternity with Him!!!

"It is not the will of your Father which is in heaven, that one of these little ones should perish."
Matthew 18:14

Together Everyone Achieves More!

Kim Hayden - Foster ES Team Leader - McLennan County

Our Foster Elementary Good News Club in Riesel, TX is thriving and having so much fun! This is our fifth year. We have 25-35 students from 2nd-6th grade attending each week. A few kindergarten siblings come as well. Two little girls accepted Jesus as their Lord and Savior during the Fall 2017 session. Each week we continue to have 5-8 children who respond to the invitation to salvation/ prayer because they have questions or special prayer request. I am thankful for our ministry team. Four of us are Foster Elementary School employees and we also have a community leader, a college student, and two high school students laboring with our team. The children really enjoy and respond to our younger team members! We all thank the Lord for the opportunity to be part of this very special ministry. It is such a blessing to get to share our faith with the children.

Standing in the Gap

God's word teaches us in Proverbs 22:6 to "train up a child in the way he should go: and when he is old, he will not depart from it." We endeavor to do our part by praying the Word as a body of committed prayer warriors covering CEF Central Texas and it's ministries.

God promised Solomon, in 2 Chronicles 7:14, healing that only He can bring if we humble ourselves, seek His face, and pray. Our nation needs healing. Our schools and children need healing. Our churches and families need healing. We all need healing! Although we do not understand how He will do it, we can trust and believe God to keep His promises and continue performing great miracles.

We have established a prayer line which enables us to strategically and deliberately stand in the gap for our children. We meet every Thursday night at 8:30pm on this toll free line and pray corporate prayers for the needs of Child Evangelism Fellowship, as well as our clubs, volunteers, and the affiliated schools and churches.

The Next Generation

Gabrielle Cole - JYC/CYIA Coordinator

JYou Connection (JYC) club enables us to teach the next generation how to seek and honor God. Although we live in a fallen world and evil influences and temptations are at every turn, our students continue to let their light shine. We are trusting and believing that the seeds planted will yield a harvest, as these young adults continue to develop a stronger personal relationship with God. We would also like to praise God, as He continues to raise up volunteers who have

a desire and heart for the students to help expand this ministry. **Christian Youth In Action (CYIA)** is a program that trains teenagers and college-aged individuals to facilitate 5-Day clubs in the summer time. The intent is to maximize the opportunity to take the gospel to unreached communities within the Central Texas area. We are looking for individuals aged 14 and older who would like to be apart of this worthwhile ministry. If interested, please e-mail me for more info. Gabrielle@cefcentex.org
